

Proton Therapy Center

COMMUNITY CALENDAR
Feb 11 to Feb 17, 2011

The Patient Resource Center is a place for patients and their families to gather non-medical information such as housing, places to visit, restaurants, public library and YMCA access, school information and any other non-medical information that you need to help you during your stay in Bloomington. We have a nice playroom for the children along with books, toys, crafts, and Wii games. Adults are welcome to stop in and enjoy the peace and quiet with a book, use the computer/printer or use the laundry facilities. The center is a great place for commuters to relax if you arrive early, if there is a delay with the schedule or if you need to rest before returning home.

All patients and their families are eligible for temporary library cards at the public library. You also have free access to the YMCA facilities while in Bloomington. For the children, there are free admission tickets to Wonderlab Science Museum which is located downtown and is a great place for kids of all ages. If you'd like more information, please feel free to contact me. I am generally at the Patient Center Monday – Friday from 8:00 – 5:00 pm. You can reach me by phone or email, both of which are listed below. Please stop by the Patient Center at your convenience. I look forward to meeting you and am happy to assist you.

Food in the Lobby – We are currently treating several pediatric patients who require anesthesia. They are not permitted to eat before their treatment. Please be sensitive to the needs of these patients and discreet with food and drinks in the lobby.

Meet & Greet – The meeting is informal and offers patients and their families an opportunity to meet one another in a social setting. In addition, we have a rotation of speakers which allows you to learn more about your treatment, the facility, staff and their training and much more. Please join us on Tuesdays from 4:00 – 5:15 pm at the Patient Resource Center.

Dietician Available - Do you need suggestions or assistance related to nutrition, diet, or problematic symptoms from treatment that affect eating? **Registered Dietician, Melissa Mercer** is now available to you at the Proton Center on Mondays from 10:00 am to 4:00 pm. If you have questions, need some suggestions or advice or would like to schedule a time to meet with Melissa individually, please contact the Proton Center Nursing staff.

Hats for Patients – Allison, a former MPRI pediatric patient, is a talented young lady who has made several women's and children's hats to be given to patients. She wanted to do something special for those undergoing treatment and has been making these hats for about a year. They are nice, knitted and woven hats that will be great for this cold weather! There's a great selection of colors and patterns. If you are interested, see Nancy (812-349-2153).
