

Proton Therapy Center

COMMUNITY CALENDAR
Mar 11 – Mar 17, 2011

This week (March 12 – 20) is spring break for the Indiana University campus and all area schools. This typically means that many people will be packing up and leaving town for a week's vacation to a destination of their choice. The benefits for those who remain in Bloomington are less traffic, an opportunity to visit area restaurants and movie theaters without crowds and an opportunity to explore the IU campus without the student population.

Several area restaurants are offering some great spring break deals. The deals are listed on page 8 of this calendar.

I have also included information about discounts at area golf courses and driving ranges. To take advantage of these discounted rates, you will need an IU Health Proton Therapy Center identification card. These can be picked up at the Patient Resource Center between 8:00 – 5:00 Monday – Friday. For more information, call Nancy at 812-349-2153.

Road closure March 12 – March 18 – Dunn Street in both directions where it connects to the 46 Bypass will be closed due to the construction. Also, please be aware of the huge pothole when turning onto Milo B. Sampson Lane from the 46 Bypass.

The Patient Resource Center is a place for patients and their families to gather non-medical information such as housing, places to visit, restaurants, public library and YMCA access, school information and any other non-medical information that you need to help you during your stay in Bloomington. There are also some nice play spaces for children with books, toys, crafts, Wii, air hockey, riding toys and more. Patients also have access to the computer/printer and the laundry facilities. The center is a great place for commuters to relax if you arrive early, if there is a delay with the schedule or if you need to rest before returning home.

All patients and their families are eligible for temporary library cards at the public library. You also have free access to the YMCA facilities while in Bloomington. For the children, there are free admission tickets to Wonderlab Science Museum, a local children's museum.

I am generally at the Patient Center Monday – Friday from 8:00 – 5:00 pm. You can reach me by phone or email, both of which are listed below. Please stop by the Patient Center at your convenience. I look forward to meeting you and am happy to assist you.

Meet & Greet – The meeting is informal and offers patients and their families an opportunity to meet one another in a social setting. In addition, we have a rotation of speakers which allows you to learn more about your treatment, the facility, staff and their training and much more. Please join us on Tuesdays from 4:00 – 5:15 pm at the Patient Resource Center. **This week's speaker will be from our Therapy Team.**

Dietician Available - Do you need suggestions or assistance related to nutrition, diet, or problematic symptoms from treatment that affect eating? **Registered Dietician, Melissa Mercer** is now available to you at the Proton Center on Mondays from 10:00 am to 4:00 pm. If you have questions, need some suggestions or advice or would like to schedule a time to meet with Melissa individually, please contact the Proton Center Nursing staff.

Hats for Patients – Allison, a former MPRI pediatric patient, is a talented young lady who has made several women's and children's hats to be given to patients. She wanted to do something special for those undergoing treatment and has been making these hats for about a year. They are nice, knitted and woven hats that will be great for this cold weather! There's a great selection of colors and patterns. If you are interested, see Nancy (812-349-2153).

Food in the Lobby – Please be sensitive to the needs of patients who require anesthesia and cannot eat before their treatment and be discreet with food and drinks in the lobby.
