

COMMUNITY CALENDAR

Aug 27 – Sept 2, 2010

Well, we survived the influx of students returning to IU this week. Although we have an increase in traffic and extra waiting time in area stores and restaurants, we also have a renewed energy that Bloomington is known for. Classes will begin on August 30. We will continue to experience slower traffic along the 45/46 bypass due to the construction and number of people now occupying our city.

An alternate route that you may want to consider instead of traveling on 45/46 Bypass: Take N. Walnut Street to Glendora Drive (just past McDonald's), turn right on Glendora Drive, turn left on Dunn Street, right on Tamarack Trail (this will take you past Jill's House), follow Tamarack through Meadowood Retirement Center to MPRI.

Registered Dietician available to patients - We had hoped to have the dietician set up with regular office hours at MPRI as of August 20. Due to unforeseen circumstances, there has been a delay with this. However, she is available, and very willing, to assist you with your dietary needs. If you would like to speak with dietician Melissa Mercer, you are welcome to call her at 812-353-5663.

MPRI Hats - Upon completion of treatment at MPRI, patients receive an MPRI hat with the signatures of staff members. We have had many requests from our guests to purchase additional MPRI hats that can be worn for every day use and these hats are now available to anyone interested. They are available at the Patient Resource Center for \$15 each and cash or checks, payable to MPRI, are accepted.

For incoming patients and their families - For information about the area, access to the YMCA, Monroe County Public Library, golf discounts, children's admission tickets to Wonderlab Science Museum and more, please take a moment to stop by. You are welcome to do your laundry, work on the computer or just sit and relax.

I am generally at the Patient Center from 8:00 - 5:00 Monday - Friday. Please take a moment to stop by. I look forward to meeting you and helping you during your stay in Bloomington.

Nancy Slough, Patient Concierge - 812-349-2153 or nslough@mpri.org

Activities at the Patient Resource Center:

The Patient Resource Center is available for use by all patients and their families. It is a relaxing environment that offers a very nice play space for children and great outdoor space. You are welcome anytime Monday - Friday between 8:00 - 5:00 pm.

Meet & Greet - Tuesdays, 4:00 - 5:15 pm, all patients and their families are invited to attend. This is an opportunity for sharing, socializing and supporting one another. Our guest speaker this week will be John Kerstiens, CFO and Clinic Operations Director.
